

**Part-time Architectural Rep to introduce and promote specifiable products to the A&D community in greater Phoenix area.**

Architects & Engineers Service Co. is seeking a part-time Architectural Rep (2-3 days per week) in the greater Phoenix area. Great opportunity for a person looking for part-time work with flexible hours, on a long-term basis. Marketing position, not sales.

Experience with the specification community strongly preferred. Good verbal communication and presentation skills, home computer, and storage space for binders/literature.

Architects & Engineers Service Company (AES) is a marketing service for manufacturers of building industry products, and has been in business 75+ years. We introduce and promote manufacturer's products to the A&D community. We are a product information source for specifiers. AES is currently marketing in 13 states. AES architectural reps are independent contractors, not employees.
