

## Interior Designer

**Ready to use that eye for detail to build a stunning, exciting product?**

**Join our team and enjoy long-term career success in an exciting production environment!**

**The Goettl Company, LLC** is a design and build custom home builder. Our clients expect the highest of quality and we deliver. Do you have the eye for quality and detail orientation we are looking for?

We are looking for an **Interior Designer** to work on a variety of projects and tasks as an integral member of the growing team in an open and collaborative environment. Your artistic and creative eye, personable attitude and highly detailed personality will be valuable as you produce stunning interiors for our distinctive clients.

### Responsibilities:

- Take responsibility for interior design/space planning for projects working closely with the rest of the design team, assisting with conceptual design through construction documents, specifications and construction
- Demonstrate substantial knowledge of interior design and planning principles, building and planning code requirements, specification preparation and organization, construction costs and methods
- Demonstrate experience in selecting and designing interior details, materials, color selections, furniture and furnishings selections, lighting design, space planning and detailing
- Build and maintain finishes library; stay current with trends
- Work with and present to clients on projects of any size
- Coordinate work with other disciplines
- Assist team members, and work in all phases of the interior design process
- Assist in construction administration by responding to RFI's, preparing sketches and visiting the construction site to gather information and/or prepare punch list
- Perform other duties as needed

### Requirements:

- Bachelor's degree in Interior Design
- 3-5+ years of professional experience
- Successful candidates must possess the desire to pursue growth opportunities, licensure and possess a passion for succeeding in a team environment
- Knowledge of interior design materials, finishes, furniture, specifications and pricing
- Strong organizational, oral and written communication skills
- Experience with AutoCad and Microsoft Office (Word, Excel, Project, PowerPoint) required
- Ability to work independently and as part of a team

2410 E. Osborn Rd., Phoenix, AZ 85016 602-278-3531 (office), 602-278-3537 (fax)

- Portfolio and resume required for consideration
- An attitude and commitment to being an active participant entrepreneurial culture is a must
