

**NM Interiors** is looking for an entry level interior designer. Duties to include: space planning and drafting in AutoCAD and Revit. Photoshop and InDesign knowledge is a plus.

Job duties will also include: furniture and finish selection and documentation and assist with library upkeep. Interior design firm is a small firm; therefore, this position offers lots of hands on opportunity with the owner/designer who is NCIDQ certified and has 33 years of experience. Prospective employee must be eager to learn and motivated.

This is a temporary 3-month position with the possibility of full time employment. NM Interiors is an award winning commercial interior design firm located near downtown Phoenix.
