

Interiors Remembered, Inc. is seeking an experienced Interior Designer to help lead alongside the Design Director a small team for Residential and Medium Commercial projects. Personality must be extremely motivated, innovated and driven, with the ability to sell the designs they create. This position is perfect for an independent designer that would like to join an award-winning design firm. Designer must have an already established client base. Designer must be able to lead projects with the help of our support staff. Affiliations such as Allied ASID, ASID, IFDA, IIDA at least one is necessary along with a formal education in Interior Design. We have a very energetic environment here at Interiors Remembered and are looking for someone that wants an environment to grow and can do what they love.
