IMI Design is a well-respected, high energy, and creative interior design firm believing that beauty has a positive and uplifting effect on the human spirit. We are looking for an amazingly talented, creative and driven intern to add to our wonderful team! As a small company, we exhibit a strong cooperative mentality where we all pitch in to help accomplish quite amazing feats. IMI has been rewarded with a great clientele of luxury residential projects and image oriented commercial spaces that are a designer's dream in which to participate. To meld well within our organization, you will need to have a strong work ethic, impeccable aesthetics and a like a fast-paced atmosphere...there are lots of colorful balls in the air! In addition, we would like our new team members to have strong organizational skills, good communication abilities and most of all be fun to be around ...because we are!

This position will be responsible for performing duties as assigned by our Lead Designer, Gil Pinto NCIDQ.

Core responsibilities include:

- Produce documents such as floor plans, elevations, RCPS, and detailed drawings
- Produce 3-D modeling
- Assist Lead Designer in developing palettes of floor, hard surfaces, wall finishes, etc.
- Assist Lead Designer in researching design solutions; soft furnishings such as window treatments, furniture, area rugs, art, accessories, etc.
- Demonstrate knowledge of design principles and lifestyle function solutions in creating a design plan

Skill required:

- Excellent presentation and organizational skills
- Proficient in AutoCad and Sketch-up modeling
- Proficient computer skills (MS Office Suite/Excel)
- Demonstrate strong work ethic and integrity
- Reliable, resourceful and diligent
- Valid driver's license
