

Wanted: Interior Design Intern

McCurdy Construction is looking to hire a part time interior design intern. Duties would include working side by side with our interior designer to help her accomplish daily tasks, as well as sit in on design meetings with clients. Intern will also get the opportunity to learn 2020, Sketchup, kitchen and bathroom design. We understand school is of the utmost importance, so we are willing to work around the applicants school schedule. Hours of operation are Monday – Friday 8:00 – 4:00. No experience necessary. Applicants must be currently attending or graduated design school.

Please send your resume to arice@mccurdyremodel.com – No phone calls or visits please.
