

We are fast growing, financially strong construction wholesale distributor seeking sales associates to manage and develop existing and new accounts working out of one of our two showrooms.

- The north showroom and warehouse is located off the 101 and Cave Creek Road in North Phoenix/Scottsdale.
- Our South showroom/warehouse and corporate offices located near 40th St and Broadway Phoenix/Tempe area.

The customers consist of custom home builders, contractors, remodelers, homeowners & dealers. We need a personable self-starter that can bring value to our companies. One who has a strong work ethic, good core values and alot of energy.

Our companies consist of Arizona Fireplaces, AF Distributors, Grand Canyon Gas Logs, Modern Flames and AF Steel Fab. Arizona Fireplaces will be the primary focus.
