WELCOME NEW/ RETURNING

PRESIDENT'S LETTER

Wow, it has been quite a year! After serving on the Board in four different positions over a five year period, my term is coming to an end. It is a time of reflection - remembering all of the people I've worked with and the projects that have been completed. I am proud of the impact of our work this year.

I've thanked the current Board and committees and will do it again at the Volunteer Recognition meeting. I am excited about passing the torch to the incoming Board and know that they will have another successful year. President Elect, **Keith Stanton**, Allied ASID, and I worked together several years ago on the Board. I believe and trust him to continue the great legacy of our chapter. With the wisdom of continuing members President Elect **Janet Jackson**, Allied ASID and **Paula Quan**, Director at Large, the fresh faces are already abuzz with ideas for next year.

Erin Lindstrom, Allied ASID, Director of Membership, **Tabitha Evans**, Allied ASID, Director of Professional Development, **Amy Strang**, Allied ASID, Finance Director, **Jasmine Dowling**, Allied ASID, Communications Director and **Sunny Biggs**, Student Member, Student Representative to the Board, all have strong committee leadership experience. Their leadership skills will be important as they begin their new responsibilities on the Board.

As the new Board takes over, I encourage the membership to support their journey. These volunteers put in many hours of time on behalf of our chapter. The "ought to", "supposed to" and "should be" sentiments of members may serve as a reference, but to ensure the long term success of Arizona North, we must branch out into new programs and practices. This is no disrespect to tradition.

Growth for us lies in our students and emerging professional members. We will have to support them to ensure our long term success as a society. Mentors and partnerships assist in that transition from student to successful member of the design community. More established designers are needed to help with this effort.

Thank you to the many of you that have been supportive of my leadership this year. I learned something every day about our great industry. Each day I am energized and motivated by what we do. Volunteering for five years has been very rewarding. I am looking forward to devoting more time to family, travel, teaching and my business.

CONGRATULATIONS TO KEITH STANTON, ALLIED ASID, AND PRESIDENT ELECT OF ASID ARIZONA NORTH CHAPTER!

Keith was selected by ASID and HOST to participate in the upcoming mission to HOST Expo, October 22 to 26, 2015 in Milan, Italy. This has been a joint effort with Interior Designers of Canada (IDC) and 38 interior design colleagues from across North America who specialize in hospitality. Keith will join Randy Fiser, ASID CEO, and Susan Wiggins, IDC CEO to attend this world-class trade show in Milan. This exciting opportunity to participate in the HOST Fair has been made available through the diligent efforts our joint organizations are undertaking to expand working relationships and create partnerships that benefit our members and advance the industry.

This is a stand-alone memory care facility, Royal Oaks Friendship House, located in Sun City, AZ. The concept behind this project was to have an open design featuring floor to ceiling window walls and beautiful outdoor courtyards and balconies for residents to enjoy. It is sectioned into four "neighborhoods," each with theme and color scheme unique to their own. The entrance to each side features a themed photography art wall and a collage of various photography and abstract art, which acts as a cue for residents to distinguish the various areas. The colors are designed to bring on different emotions and the residents are encouraged to wonder throughout the space. One area was designed to feel energetic & lively, while another was designed to give a sense of calm. Natural and textural finishes were selected to enhance surrounding the mountain views and landscapes. Each neighborhood features defined spaces for cinema/media, meditative/spiritual, dining and activities, and cooking and laundry.
