

Sales and Design Consultant: Facings of America, Inc.

Location: Phoenix, Arizona

Position Summary

We are looking to grow our sales team by adding customer focused, team-oriented, results driven **Design Consultants**. If you thrive in an environment built on trust, fostering, and maintaining relationships, and having fun while delivering best in class services and products, we'd love to talk with you!

As a growing organization, we believe in providing our employees the opportunity to do what they love every day, which has allowed us to continue to build a dedicated team of industry experts who operate with a solution-minded approach.

Responsibilities:

Embracing company culture and service values

Meeting and exceeding sales targets

Developing new relationships and maintaining existing relationships

Working with clients in the showrooms and in the field

Effectively utilizing and maintaining CRM

Why You Should Apply:

Facings has a national reputation for supplying the highest quality products in the tile and stone industry. Since 1967, we have been direct importers of tile and stone from around the world while complementing our offering with products from over 50 domestic vendors. We are a second-generation family owned and operated company and we prioritize putting people first; allowing employees to do what they do best every day. We were honored to be named a **2021 Top Company to work for in Arizona!!**

The Details:

Location: Phoenix, AZ

Full-time opportunity

Compensation: Base salary + UNCAPPED Commission
