

we're hiring
lighting designers
in scottsdale

Who We Are

Circa Lighting is the quintessential resource for decorative lighting collections from the most influential names in design and architectural lighting solutions from the foremost innovators in the industry. We are a source of expertise and guidance to our customers, operating with the highest integrity. We inspire our customers with innovative design and impeccable customer service.

We have a welcoming and challenging workplace environment for our employees. We value imagination, individuality and giving every person the opportunity to explore, grow and shape our future.

What To Expect

Be immersed in a fast paced and exciting customer-facing environment while developing a wide array of relationships from walk-in retail traffic to key trade clients. In addition, you will engage in structured outreach to the design and building community to educate and create awareness of Circa Lighting's products and services.
